For more information

Hardware and literature for the products in this pamphlet are customized for use in the countries and languages noted.

Thank you for buying a Hewlett-Packard calculator or handheld computer product. At HP we take great pride in providing you with products – from calculators and computers to instruments, peripherals and accessories – that are designed and built to be the finest of their kind. Products that help increase your productivity, and that you can rely on to serve you faithfully for years to come.

Browse through this booklet at your leisure. There's a growing selection of calculator and handheld computer accessories and software. Choose the high-quality products that fill your special needs.

Then contact your local dealer for the products you've selected.

For More Information

In the U.S.A., for additional information on calculator accessories or a demonstration of Hewlett-Packard professional calculators and handheld computers, visit your nearest HP dealer. For the location and number of the dealer nearest you, call toll-free 1-800-FOR-HPPC (1-800-367-4772).

For items your local dealer does not carry, and for information about availability and prices of accessories for calculators which are no longer in production, call toll-free 1-800-538-8787. In California, call 408-738-4133.

Outside the U.S.A., contact your local HP sales office. They are listed in your telephone directory.

Note: Product availability subject to change without notice.
